- b. Industry-Standard Protection. We utilize industry-standard Secure Socket Layer (SSL) encryption technology to safeguard account registration and enrollment information. Other security measures include, but are not limited to, firewalls and additional data encryption.
- c. Limitation on Access. Access to any information collected through the Services is generally restricted to those employees and/or contractors who require it to perform a job or other contracted function. All vendors / contractors are required to adopt reasonable, industry standard protocols to maintain the confidentiality, security, and integrity of the information.

3. HOW WE USE AND SHARE USER INFORMATION.

- a. To Provide the Services.** We use, process, store and share User Information to enable our users to fully use the Services. For example, we use User Information to allow student users to submit assignments to their teachers, and to allow the teachers to issue and manage assignments, and to contact their students.

our products and Services, to administer your account, and to respond to your inquiries.

Rollbar is utilized for error monitoring. Information logged includes common request data. Rollbar's privacy policy can be found [here](#). Google Analytics is utilized to analyze application, feature and content usage. Google's privacy policy can be found [here](#).
- 4. RESTRICTIONS ON USE.** We care about your privacy and will not intentionally:
(a) share your Student Data with anyone other than the specific teacher, school, and district associated with your account; (b) share or sell personally identifiable information to a third party to allow that third party to market its goods or services; or (c) collect, share, maintain or use any User Information for any reason not set forth by this Privacy Policy and/or contemplated by the

nature of the Services provided.

5. CHILDREN'S PRIVACY. We care about protecting the online privacy of children. We may collect certain information about children ONLY for the purpose of providing our educational Services as described in the sections above regarding enrollment information.

- a. Verifiable Consent. MakeMusic does not knowingly collect any information from children under the age of 13 unless the school or teacher has obtained appropriate, verifiable consent directly from the parent or legal guardian for the student to use the Services. It is the responsibility of the school or educator to obtain and verify consent from a parent or legal guardian in order for any child under 13 years of age to use the Services.
- b. Notification. While the school remains responsible for obtaining verifiable consent for its students under the age of 13, MakeMusic will send a notification to the parent or guardian identified during the enrollment process to inform the parent/guardian of the enrollment and to provide the parent/guardian with information regarding their right to cancel the enrollment and to access and manage the enrollment information. The new web-based SmartMusic service does not allow students who report themselves as under the age of 13 to create an account; it is a violation of the SmartMusic Terms of Service for children to create an account by misrepresenting their age. For students under the age of 13, a parent/legal guardian or the student's teacher must create their account.
- c. Providing or Withdrawing Consent. If, as a parent or legal guardian, you have not received information from your school, please contact the teacher or school directly. If you have received notice from the school and have not given your consent, or if you believe we have inadvertently collected personal information of a child under 13 without proper parental consent, please contact us directly so that we may delete such data as soon as possible; contact information can be found at the bottom of this document. You should, at a minimum, clearly state: (i) name of the child, along with their username; (ii) age and birth date of the child; (iii) your relationship to the child (e.g., parent, guardian, teacher); (iv) as much detail as possible regarding the information you believe was provided improperly by the child. After confirming your identity, we will

provide you with an opportunity to review, and if you wish, delete such information.

- d. Review Rights. If you are a parent/guardian and wish to review information submitted by your child, you may contact us (contact information is set forth below) and, after confirming your identity, we will provide you with an opportunity to review, and if you wish delete, such information.

6. ACCOUNT PREFERENCES

- a. Account. To view your personal information or edit preferences, go to My Account and login to view and/or update any personal information provided, such as mailing and billing addresses, email addresses, or preferences. Please note that even if you choose not to receive marketing communications, we may still contact you for important policy or technical product updates or for information related to your Services from us. If you are a student enrolled in a class, changing your personal information via “My Account” will NOT affect or update your Gradebook information. To change your Gradebook information, it will be necessary to coordinate directly with your teacher or director to do so.
- b. Cookies. We may place a text file called a cookie or an anonymous identifier in the browser files of computers that visit the Services. Cookies are pieces of information that, among other things, allow your computer to utilize all the features of the Services. An anonymous identifier is a random string of characters that is used for the same purposes as a cookie on those platforms, including certain mobile devices, where cookie technology is not available. If and when your computer accepts a cookie or an anonymous identifier, the cookie or the anonymous identifier may be stored on the computer’s hard drive. The information that we collect using cookies or an anonymous identifier is non-personal information. You are always free to decline our cookies or anonymous identifier if your browser permits, but some parts of our Services may not work properly for you if you do so.
- c. Opt-Out. In addition to mechanisms through your own browsers and computers, we have certain mechanisms for opting-out from our collection of Non-PII for analytics purposes. For example, Finale® users may opt-out by choosing “Help Improve Finale” from the Finale® Help

menu and selecting “No, I’m not interested at this time”. SmartMusic® users may opt-out by choosing “Setup > Help Improve SmartMusic” from the SmartMusic® Help menu and selecting “Don’t Allow”.

- 7. HOW LONG WE KEEP USER INFORMATION.** Unless otherwise expressly agreed by the parties, following termination or deactivation of an account, MakeMusic may retain personally identifiable User Information only for a commercially reasonable time for backup, archival, or audit purposes. However, MakeMusic will make attempts to delete any User Information upon request. MakeMusic may maintain all Non-PII even after termination, including usage data, for analytics purposes. If you have any questions about data retention or deletion, please contact us directly.
- 8. HOW WE PROTECT YOUR PERSONAL INFORMATION.** We take appropriate security measures (including physical, electronic and procedural measures) to help safeguard your personal information from unauthorized access and disclosure. For example, only authorized employees are permitted to access personal information, and they may do so only for permitted business functions. In addition, we use encryption in the transmission of your sensitive personal information between your system and ours, and we use firewalls to help prevent unauthorized persons from gaining access to your personal information.

We want you to feel confident using our Services. However, no system can be completely secure. Therefore, even though we take measured steps to secure your information, we do not promise, and you should not expect, that your User Information will always remain secure. You should carefully manage and handle your own passwords and personal information, and should avoid sending personal information through unsecure email.

10. LIMITATION OF LIABILITY

YOU EXPRESSLY AGREE THAT MAKEMUSIC SHALL NOT BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF DATA, DATA BREACH, OR DISCLOSURE OF PERSONAL INFORMATION, EVEN IF MAKEMUSIC HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. YOU SPECIFICALLY AGREE THAT MAKEMUSIC IS NOT RESPONSIBLE OR LIABLE TO YOU OR ANYONE ELSE FOR ANY VIOLATION OF YOUR RIGHTS OR THE RIGHTS OF ANY OTHER PARTY, INCLUDING, BUT NOT LIMITED TO, INTELLECTUAL PROPERTY RIGHTS, RIGHTS OF PUBLICITY, OR RIGHTS OF PRIVACY. SOME JURISDICTIONS DO NOT ALLOW THE LIMITATION OR EXCLUSION OF LIABILITY FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, THEREFORE SOME OF THE ABOVE LIMITATIONS MAY NOT APPLY TO USER. IN ANY EVENT, IF MAKEMUSIC IS FOUND TO HAVE VIOLATED ANY OF YOUR RIGHTS, YOU ACKNOWLEDGE AND AGREE THAT ANY DAMAGES RECOVERABLE AGAINST MAKEMUSIC ARE LIMITED TO YOUR ACTUAL, PROVEN DAMAGES.
