

GARRITAN CONCERT MARCHING BAND® 2 SOUND LIBRARY

Long Description:

Garritan Concert & Marching Band® 2 breathes life into everything from piccolos to sousaphones, and offers the broadest range of concert and marching percussion options. Created specifically to capture the energy and timbre of these ensembles.

Ideal for educators teaching band, band students, band directors who write drill routines, or musicians who want to add band instrument sounds to their tracks. Offers flexibility to position players in different arrangements, change the layout, create unique seating arrangements, play separate lines or in unison, and assign solo parts by section.

This sampled sound library is powered by the high-performance ARIA Player™. Supports Mac and PC, works as a standalone program or as a plugin, and easily integrates with notation software.
