

## GARRITAN INSTANT ORCHESTRA® SOUND LIBRARY

### Long Description:

The power of Garritan Instant Orchestra® gives you a diverse sonic palette and world-class sounds. No other product offers the versatility and accessibility of Instant Orchestra. Quickly create worlds of music, soundscape, and mood with the touch of a finger.

Easy patches with one note functionality produce fully stacked harmonies and stylistic effects for a variety of instruments. Blending patches morph textures and instruments to create unique settings and moods. From delicate woodwinds to vibrant full orchestra combinations, Instant Orchestra is ready for any task. Mood-based presets quickly add dimension and feeling to any setting. Non-traditional blends and effects add creative possibilities not found in other libraries. Intuitive and easy-to-use interface makes the music the star of your project.

Instant Orchestra is powered by the high-performance ARIA Player™. Supports Mac and PC, works as a standalone program or as a plugin, and easily integrates with notation software.
