

finale PRINTMUSIC®

SHARE YOUR MUSIC WITH THE WORLD

Finale PrintMusic empowers every musician to quickly create and customize music notation that looks – and sounds – great. Once in PrintMusic, notes can be transposed, edited, and arranged, transforming ideas into printed sheet music and PDFs. PrintMusic creations can also be shared as MP3 audio, MIDI, and MusicXML files, as well as enjoyed with other MakeMusic products, including the free Finale NotePad®

- **CREATE** lead sheets, guitar TAB, band charts, orchestra scores, and more
- **ENTER** notes your way with a computer, a MIDI device, or a scanner
- **ARRANGE** full ensembles (up to 24 staves) and extract individual parts
- **HEAR** your music with realistic sounds and nuance
- **PRINT** publisher-quality sheet music
- **SHARE** your music in more ways, including MP3, PDF, MIDI, and MusicXML files

From the creators of Finale®, the world's most trusted professional music notation software, PrintMusic is the affordable choice for arrangers, composers, teachers, band and choir directors, worship leaders, students, and other musicians who want to share their music with others – and the world.
