Finale PrintMusic described in 40 words:
PrintMusic® is the fast, easy way to bring your music to life — with professional results. Enter notes with a mouse, MIDI keyboard, microphone, or scanner. Play your composition, print publisher-quality sheet music, or make iPod-ready .MP3s of your musical creations.

Finale PrintMusic described in 100 words:
PrintMusic® is the fast, easy way to bring your music to life — with professional results. PrintMusic offers more options for composing, arranging, playing, printing, and sharing your music.

Create and print publisher-quality sheet music. Arrange full ensembles and extract individual parts. Play your music with professional sounds and nuance, and share the results with iPod-ready .MP3 files.

Scan sheet music, choose between a handwritten or engraved appearance, host VST/AU plug-ins for professional playback, import and export graphic files, and much more.

From the creators of Finale®, the world's leading music notation software, PrintMusic is perfect for arrangers, composers, teachers, band and choir directors, and church musicians
